### **Beschreibung**

From Nikolsdorf train station along the Drautal cycle trail R1 via Stichradweg Nikolsdorf to Nörsach, uphill from there to Rabantalm (open) and from here continue uphill to Angerbodenhütte, from there to Damer, Plone and Michelsberg (short section where you have to push the bike in Gantschenbachgraben), continue to Lindsberg and Trattenberg. From there west up to the access point for Ederplan or downhill to Lengberg. From Lengberg via the asphalt trail heading south to Lengberger Bridge and from here via the Drautal cycle trail back to the train station.
