## Description

From the center of the village (Rauterplatz) you walk over the Lederer bridge (next to the butcher's shop Mühlstätter) straight ahead to the miniature golf course. Here you turn right into Bichlerstraße and walk straight over the bridge to the district Bichl. In front of the village fountain, turn right and follow the yellow signs "St. Nikolaus-Kirche". The little church is open and worth a visit. If the church is locked, you can pick up the key at the farm next door. The way back is first to the district Ganz, then over the Zeller bridge. Then turn left after the Zedlacher Bridge and follow the Tauernbach. At the estuary of the Bretterwandbach you turn right, back to the center.
