Beschreibung

From Rauchenbach proceed south into Erschbaumer Tal. Heading in to the valley a steep hairpin path heads left, up the shrub-covered slope which has relics from World War I. At the nose of a slope there is the little Tascharrehütte. The path proceeds south-east through upper Erschbaumer Tal, which is bordered by the overhanging cliffs of the Große Kinigat and the Königswand. The trail meanders up in several hairpin bends and extends to Hintersattel. With views to Filmoor-Standschützenhütte, it is 20 minutes downhill from Hintersattel.
