## Description

The hike to Neue Reichenberger Hütte starts from Ströden carpark, which is conveniently accessible by post bus. From here, walk across the broad driveway to get to Isplitzer- and Pebellalm in half an hour. From here on, the walkway leads through Großbachtal Valley, passing by Stürmitzalm and Großbachalm. All in all, it takes 4 hours to walk up to Neue Reichenberger Hütte, where you will be right away rewarded with a view onto Lake Bödensee.

Neue Reichenberger Hütte is also a perfect place to stop by when you walk the Lasörling High Route or serves as starting point for further excursions to mountain peaks.
