Beschreibung

This leisurely hike starts at the **Matreier Tauernhaus** (1.511 m) and leads along a driveway, first slightly uphill past the alpine pastures Wohlgemutalmen up to the **Berghaus Außergsschlöß** (1.680 m).

From the Berghaus Außergsschlöß, the hike continues along the wild stream Gsschlößbach without any major ascents towards the **Venedigerhaus Innergsschlöß** (1.689 m). On the way from the Berghaus Außergsschlöß to the Venedigerhaus Innergsschlöß you can find the so-called **Felsenkapelle** (rock chapel).

The hike can also be done with a pushchair.

Alternatively you can also get to the hut by [Taxi](#) or ["local train" Gsschlösser Panoramazug](#).
