## Themed Path "Alpine Flower Trail Upper Side" — Short Circular Path

The flora and fauna on the Alpine Flower Trail can also be studied on the "Short Circular Path". From Trogach (car park) you can take the forest road and the hiking trail back to the actual starting point "Gasser Kofel". Depending on the season, you will discover numerous flowering plants in the alpine lawns up to the Seespitzhütte on the moderate ascent. From the Seespitzhütte, the "Short Circular Path" runs as a high route to the east and then branches off downhill through the avalanche barrier at the top towards the starting point.
