## Description

On the Thiemeweg, you walk along historic paths, as it is already over 100 years old. Several stations can be experienced along the the path. These play stations (weighing game, ball game, water pipes, gnome village, harp game, alphorns, firecrackers,...) are an absolute highlight especially for children. The trail can be reached either from the Proßegg district or from the Zedlacher Straße. It then leads along a gently ascending path to the mountain village of Zedlach and ends at the "Kräuterwirtshaus Strumerhof".
