## Beschreibung

Ascent via Kalser Glocknerstrasse to the Glocknerwinkel car park (toll fee).

Permanently viewing the Grossglockner, the AV Weg 702 B leads from the Lucknerhaus for about 1 hour through the varied Koednitztal Valley (opportunities to observe marmots, chamois and ibex) to the Lucknerhütte and on the same route to the "Viehboeden" (junction Johann-Stuedl-Weg) and to the Stuedlhütte on the Fanot-Scharte.

The Stuedlhütte is the ideal and most frequently used starting point for climbing the Grossglockner.
